Trek to bramahtal trek was an extravagant lifetime experience. Roopkund trek guide bhupi was very patient. His guidance throughout the trek was very amazing and satisfying. All arrangements from beginning till the end were just perfect, wheather it is stay, packed lunches, tents, sleeping bags. Overall it was a great experience.

I went on two treks with them, Bedni and Ali last year & Brahmatal this year. The experience was amazing, the trek leader Narri had a good idea about the place, the geography and the history! It's always good to hear local folklore on treks. Do go for treks in that region with them
